STAT

In line with your discussions with [redacted] regarding the evaluation of a hold-down technique, you are authorized to initiate a new task on your project JS-516. This is Task No. 4, and will be titled "Electrostatic Hold-Down Study." You are authorized purchases necessary to modify a Richards #940 MC light table which we will furnish to you as soon as possible. The deliverable items on this task will be (a) the modified Richards light table and (b) a report containing your evaluation and any conclusions and recommendations you may have regarding further implementation of this technique. STAT

Sincerely yours,

[redacted]

Technical Monitor
